

April 2, 1984

LB 1105

amendment, fine, but if it is a big controversy between he and Chris, I can see that could louse things up so kind of use your own judgment.

SENATOR CLARK: Senator Lamb, do you wish to close?

SENATOR LAMB: Mr. President, yes, I would respond both to Senator DeCamp, first, and Senator Beutler. Senator DeCamp, I have conceded this is not germane so it takes 30 votes. So if we don't get the 30 votes, you know I can't see how it is going to hurt the bill because if we get the 30 votes we get them. Senator Beutler, this puts the language back the same way it was before LB 194 was passed last year so I can't see that the language is that bad. We just changed the language last year. Now we are putting it back to where it was and there may be people here who would like to see different language, and by the way, I took this over to Senator Beutler several days ago and asked him to come up with an amendment which he considered more appropriate and he doesn't have that language, he didn't come up with anything, said it was too complicated, but I don't see it as being too complicated because it is the very same language we had before LB 194 was passed last year. I think it does correct a problem. It does correct a problem that exists because it just is not fair for a state bank to have to pay a tax that a national bank does not pay, therefore, I would ask that the amendment be adopted, that first the bill be returned to Select File for specific amendment.

SENATOR CLARK: You heard the motion. The motion is to suspend the rules, it takes 30 votes in order to put this amendment on. All those in favor vote aye, opposed vote nay. Have you all voted to suspend the rules? Record the vote. Senator Lamb.

SENATOR LAMB: I would ask since we are on Call, I would ask that everyone record their presence and have a roll call.

SENATOR CLARK: Will everyone record their presence please. Everyone sitting in their seats will record their presence. There are only 3 excused. Senator Haberman, will you check in please. Senator Hannibal, Senator Chambers, Senator
